

Workday Data Loader.

Northern Trains Limited runs SapienZ Data Xchange.

Northern Trains Limited was forced to carve out their existing infrastructure and HR solution and needed a new HR- and payroll integration to their on-premise SAP solution. The old integration was inflexible, problematic and time-consuming to maintain on an ongoing basis, and new and better solution was needed.

Brief introduction to the client

Northern Trains Limited is a publicly owned English transport company that plays a vital role in the north of England by connecting tens of thousands of people to work leisure, education and more every day

“SapienZ Data Xchange has reduced the cost and complexity of integrating Workday HCM and SAP Payroll. It performs the integration with ease, and is very simple to operate, monitor, and maintain. The implementation was done in a fast and smooth manner, within time and fixed budget.”

Andrew Lawson, HR Systems & Compliance Manager – Northern Trains
